Roc City Rib Cook Off

The Roc City Rib Cook off is an unsanctioned pork rib cook off. Any fuel source can be used (wood, pellets, charcoal, gas and electric). Any pork rib and open garnish. Ribs can be pre-seasoned and / or pre-marinated, yet must be un-cooked in any way. Teams are required to submit a minimum of six separate ribs (must be cut apart) in a 9 by 9 standard container. Judges are donating \$20 each to the Ronald McDonald house of Rochester for the chance to judge your entry. Please help out by putting as much in the box as possible! We were able to raise \$2000 last year and we want to make sure we can keep them coming back. I know you have a couple extra ribs lying around on the cutting board. Try doing two overlapping rows, anything... Thanks for your help!!! KCBS judging procedures will apply (see KCBS rules linked above) based on appearance, taste and tenderness. There is a mandatory team meeting 9:00 am Saturday morning at the judging tent. Meat will be inspected Saturday morning as inspectors are available and as teams arrive. Cooking can begin after meat has been inspected and must not be removed from a team's area until turn-in. Only one submission from each team area is allowed. Teams must not share cooking equipment.

Kids Q

The Kids Q will be a single category event with turn-in on Saturday at 3pm. Open to children 12 and under. Kids must be supervised by an adult at all times. Let's make sure to keep the kids safe so please have a responsible adult prepare and tend to fires as well as do any knife work. All other times the adult is to be hands off. Six separate pieces need to be submitted in the 9 x 9 styro box. Open garnish and open cooking fuel (gas, wood, charcoal, etc.).

General Information

All teams are invited to a welcome party Friday night around 10pm at the beer truck near the stage. Continental breakfast with coffee will be provided every morning including a mimosa breakfast Sunday Morning. We will also have a Rochester Style dinner on Saturday night.

All equipment, trailers and RV's must fit into your competition spaces. Space sizes are 20 by 10 for Roc City Rib Cook Off only, 20 by 20 for NEBS only and 20 by 30 for KCBS. Extra space can be purchased in 20 by 10 blocks on the website. For any other special request regarding you location, contact jon@roccityribfest.com.

Electricity for **light general use only** such as lighting is provided at no cost. Please bring 100' of extension cord and **outdoor rated power strips** for your electrical hookup. Hookup of refrigerators, deep fryers and AC units is not allowed. If you have higher electrical requirements than general lighting you must bring your own quiet run generator. Water is available for free (you must provide hoses and "y" connectors). Water pressure might be low at times due to existing infrastructure.

KCBS representatives will inspect each site. A three bin sanitation station, wash, rinse, and disinfect (one cap of bleach per gallon of water) will be checked at meat inspection. Proper storage of meat is required. It must be maintained below 40F or above 140F. Proper handling of food is required. A thermometer and fire extinguisher are required on site. We are happy to provide one bag of ice per team per day for free. Tickets for ice will be included in your team bags.

Distribution of food samples to the general public at any time is forbidden due to health department codes. Discreetly giving food samples to friends and family within your competition space is allowed.

Load in times are Friday 9:00 AM to 4:00 PM, and Saturday 6:00 AM to 9:00AM. Over night security will be provided so teams can set up Friday and come back on Saturday. The event is open to the public on Friday after 5:00 PM so please make every effort to be loaded by then. Load time

outside that window must be pre-approved, again contact jon@roccityribfest.com.

All vehicles that do not fit in your space **must** be removed from the competition area after load in. We must keep the travel lanes open in case of medical or fire emergency. Refusal to move vehicles are grounds for disqualification and towing. No vehicle traffic is allowed while the festival is open, except for load out. Smokers, trailers and RV's that fit in your space or have been pre-approved can stay in the competition area. There will only be one service entrance to the event located near the bath house, see the website for detailed directions and the map below. Parking passes for the reserved parking lot will be in your team bag.

KCBS and NEBS teams will be given up to 5 VIP passes for the event. Roc City Rib Cook Off teams will be given 5 tickets for daily admission. These passes will be included in your team bags or mailed out in advance of the event.

Pets are not allowed on the grounds of the park as per Monroe County rules. The park has been tolerant of competitors who are VERY discrete about having the pets with them. Understand that being very obvious about your pets, by walking them through the crowd or letting them run around, puts strain on our relationship with the park. There is a section of grass next to the parking lot and river where pets are allowed, please use this area for walking your pets. Violations can lead to us having to ban pets altogether. Thanks for your help in this matter.

All teams are welcome to stay over Sunday night but must be out of the festival area by 9am Monday morning.
